Advantages of purchasing at Maritex

- Free shipping options
- Flexible delivery times
- Collaboration with 500 manufacturers
- Over 50,000 products on offer for engineering needs
- Availability of customized products
- Possibility of placing buffer orders

Welcome to Maritex

We are one of the largest wholesalers of electronic components on the European market. More than 35 years of experience have allowed our company to establish itself among the authorised suppliers of electronics and to work directly with the biggest brands and manufacturers in the world.

We invite you to view the entire product range at www.maritex.eu

maritex.eu

Company founded: 1987
Seat: Gdynia, Poland
Foreign branches: Sweden, Romania
Certificates: ISO9001:2015 & ISO14001:2015
Types of products in stock: 50 000

40 electronics engineers

200 employees
