AGS DEVICES 

Your Partner for Quality & Reliable
Components. On Time. On Budget.

High-Quality and Reliable Electronic Components

Empowering Your Success With

Full Traceability on All Inventory

Quality Assurance

Exceptional Customer Service

On-Time Delivery

Certifications

Our Supplier Network

Discover Wide Range of High-Quality Electronic Parts

Semiconductors

Microcontrollers, Microprocessors, Memories, Logic, Analogic and Power Management ICS, Diodes, Transistors, MOSFETs, Thyristors

Aerospace Products

Connectors, Screws, Bolts, Nuts, Greases, O'rings, Cables, Contacts, Tapes, Relays, Sealants, Backshell, Wires, Sensors

Optoelectronics

Optocomponents, Displays, LEDs, Illumination

Circuit Protection

Circuit Breakers, Transient Protection, MOV's & GDP's, Thermal Protection, Resettable Fuses, Fuses, Fuse Holders

Interconnects

Connectors, Sockets, Terminals, Terminal Blocks

Passives

Resistors, Potentiometers, Trimmers, Capacitors, Crystals & Oscillators, Inductors, Coils, Chokes, Ferrites, Filters, Signal Transformers, Microphones, Buzzers, Speakers

Electromechanicals

Switches, Encoders, Relays, I/O Modules, Controllers, Sensor Counters, Timers, Motors & Drives, Fans & Heatsinks

Power

Batteries, Battery Holders, Power Transformers, DC/DC Convertors, Power Supplies, AC Adapters, Power Filters, Power Cords, Cables

Tools & Test Measurement, Mechanicals & Production Supplies

Test Equipment, Test Measurement, Mechanicals & Production Supplies
