WITH GROWING
ENTHUSIASM!**

PASSION FOR ELECTRONICS

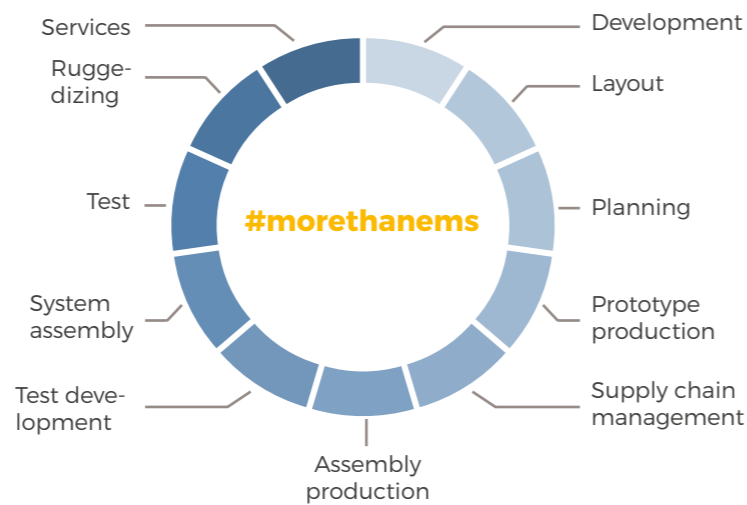

EXPECT MORE FROM US! FROM DEVELOPMENT TO SERVICE

Each day, we enthusiastically do our best to stay one step ahead when it comes to innovative solutions for the complete life cycle of your electronics. Component procurement and production of electronic assemblies are just the basis of what we can provide. In addition, BMK offers unique solutions in the areas of development, after-sales services and logistics to secure your supply chain. We undertake simple to complex equipment installations, relieving you when dealing with time-critical tasks. This is also supplemented by further individual services on request.

SEVERAL TIMES ON TRACK! WITH OUR LOCATIONS...

in Germany, Czech Republic, Israel and China. Diversity is our culture! We speak one language. With employees from 57 countries we serve our customers - worldwide.

CHALLENGE US! WE DO EVERYTHING POSSIBLE TO ENSURE THAT YOU...

get your products onto the market faster, optimally manage fluctuations in demand, achieve competitive prices, shine with outstanding quality and deliver on time.

As a proactive partner, we optimize your supply chain and thus make a decisive contribution to your success.
