

Supply Chain Solutions for Electronic Components

Franchised Lines

CET-MOS	Power Mosfet
Churo	Relays; Power, Signal, Automotive & New Energy
EIC Semi	Zener diodes, TVS, Rectifiers & Signal/Switching Diodes
Flexxon	NAND Flash Storage Solutions (SSD, eMMC, SD-Cards)
Foryard	LED, Dot Metric/Numeric Displays, LED Strips
Gigadevice	SPI NOR & NAND Flash, ARM Cortex MCU
Good-Ark	Diodes, Rectifiers, PESD, Mosfets & Chip Fuses
GSN	Standard/Customized Cables & Connectors
HTC Taejin	Power Management IC, Voltage Regulators, OP-Amplifiers, Comparators
KingCore	SMD Inductors, Chokes, Coils & EMI Supressors
Link-PP	RJ45's, Magnetic Transformers & Optical Tranceivers
NDK	Crystals & Oscillators
Neltron	Connectors; Pin header, USB, M Series & Board/Wire connections
Netsol	Serial/Parallel STT-MRAM, Asynchronus SRAM
Promos	DRAM & SDRAM DDR1-4
S-Conn	Antennas & Connectors; RF, Coaxial, Adapters
Topway	LCD, 7 Segment, alpha numeric & Customized LCD Modules
Wanjie	Terminal blocks; Screw, Plug-In, PCB Spring & Barrier

What we do

SHORTAGE MITIGATION

Avoid supply chain interruptions

EXCESS SOLUTIONS

Transform surplus inventory into eco-gains

DISTRIBUTION

Explore the values and opportunities in our franchised lines

VALUE ENGINEERING

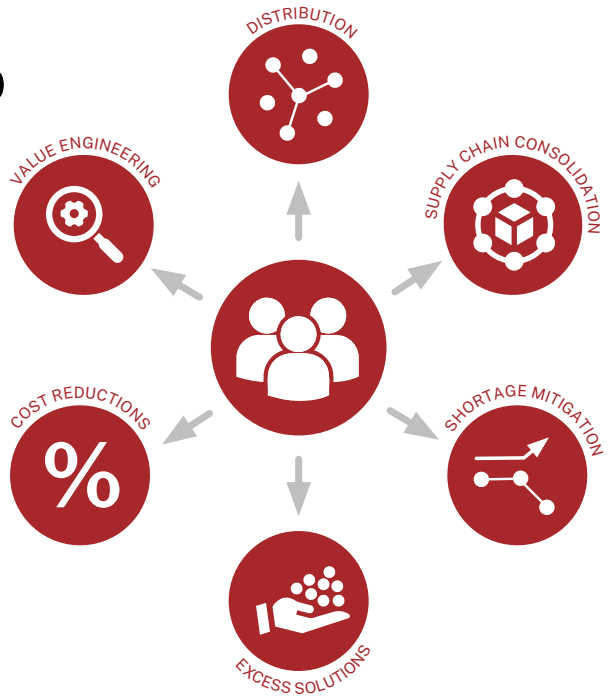

Added values for developments

COST REDUCTION PROGRAMS

Strategically lower production costs

SUPPLY CHAIN CONSOLIDATION

Customized for efficiency and added value

Global company headquartered in Sweden

In business since 1990

Specialist in shortage management

32 000 line items in stock

3 500 sq. meter of warehouse space

Climate controlled area for stocking LTB and customer consignment

Custom developed software matching inventory with customer demands

In-house visual quality inspection

Third party counterfeit testing

Excellent reputation

Let's Connect

	 Transform surplus inventory into eco-gains with our excess solutions
