公司简介
COMPANY PROFILE

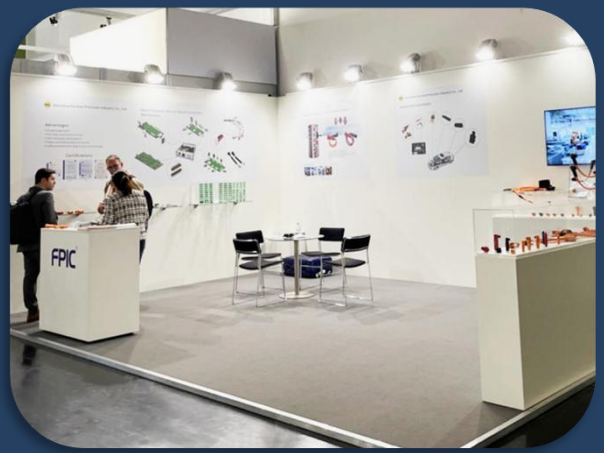

Shenzhen Forman Precision Industry Co., Ltd.(Abbreviation FPIC) has always been committed to the research, development, and manufacture of connectors over 21 years. With the development of the technology and changes of customer requirements, FPIC has expanded new business range which is for OEM energy storage cables, medical wire harness, industrial wire harness, automotive wire harness and other electrical wire harness since 2010. As so far, the plant covers over 20,000 square meters, our total investment capital is almost USD10 million, and the annual sales amount is higher than USD20 million.

服务理念

SERVICE CONCEPT

Insisting on the philosophy of “Focus on Customer, Contributor Based, and Always Going All Out”, FPIC offers good quality controlling capability, super flexible delivery, and continuous cost optimization, we look forward to working together with you for mutual development and benefits 。

质量管理体系
QUALITY MANAGEMENT SYSTEM

FPIC has been attaching importance to scientific production and efficient quality control, we have introduced the ISO9001, ISO14001, ISO13485 and IATF16949 management systems, also the ERP and MES production control systems 。

Quality is the lifeblood of business survival

The company has a complete and scientific quality management system and advanced automatic processing equipment.

Customer first, quality first, encourage innovation

In the business process, the company adheres to the business philosophy of "full participation, quality products, customer satisfaction, continuous improvement".

Full participation, quality improvement, continuous improvement

High-quality management personnel and technicians, highly trained, experienced and skilled industrial workers ensure stable product quality and always lead the industry and processing level

➢Quality assurance::

- 100% quality control
- Check all incoming materials, including components and cables
- Products meet IPC/WHMA-A-620 D cable and harness components requirements and acceptance
- Ensure compliance with RoHS and REACH requirements.
